In *United States Law and Policy on Transitional Justice: Principles, Politics, and Pragmatics*, Zachary D. Kaufman explores the U.S. government's support for, or opposition to, certain transitional justice institutions. By first presenting an overview of possible responses to atrocities (such as war crimes tribunals) and then analyzing six historical case studies, Kaufman evaluates why and how the United States has pursued particular transitional justice options since World War II. For the full abstract and more, please visit:

and Pragmatics*

ZACHARY D. KAUFMAN

Zachary D. Kaufman, J.D., Ph.D., is an academic specializing in law, political science, and public policy. His scholarly work (writing, teaching, and speaking) focuses on the fields of international law and international relations, including U.S. foreign policy and national security; international and transitional justice; human rights; genocide, war crimes, crimes against humanity, and other atrocity crimes; social entrepreneurship; and the Great Lakes region of sub-Saharan Africa (particularly Rwanda).

Dr. Kaufman received his D.Phil. (Ph.D.) and M.Phil., both in International Relations, from the University of Oxford (where he was a Marshall Scholar), his J.D. from Yale Law School (where he was an Olin Fellow and Editor-in-Chief of the *Yale Law & Policy Review*), and his B.A. in Political Science from Yale University (where he was the student body president).
